

LEADERSHIP AS A SERVICE

BDO Interim Management: Leading temporary assignments with success

High-experienced temporary reinforcement to boost the growth of your organisation.

Has the workload of your business increased and can't find an immediate solution? Looking for a specific type of expertise to take your organisation to the next level or help you navigate through a temporary situation or project?

Call in the help of motivated interim managers with tons of experience and ensure the continuity of your business. Carefully selected, up and running in no time.

A “breath of fresh air” in the world of Interim Management.

How you can benefit from BDO Interim Management

Leadership as a Service to create future-proof organisations

Personal intakes: get to know the candidate, give your final go

Access to top-level professionals: 15 – 30 years of experience

Trusted BDO consultants as a partner between you and the candidate

Fast deployment: Max. 1 week from intake to start-up

Transparent rates: no surprises, all-inclusive

Guidance and coaching throughout the assignment

Tailor-made solutions, for every sector and organisation

- ▶ Private sector: SMEs to Corporates
- ▶ Public Sector
- ▶ Non-Profit Organisations

What kind of Leadership as a Service are you looking for?

BDO's pool of highly qualified candidates consists of more than **3500+** members, with years of **strategic C-level to high-level operational** experience and expertise.

- ▶ Management, Finance, HR
- ▶ Sales & Marketing
- ▶ IT & ERP program management
- ▶ Supply Chain & Process optimisation
- ▶ Change & Transformation
- ▶ Sustainability & ESG

Looking for other types of expertise than the ones mentioned above? Just ask us and we'll see what we can do, there's a **fit for every function**.

We believe getting to know each other **now**, pays off in the **future**. Even though interim management is about temporary solutions, **durable relationships** lead to **durable results**.

So let's get in touch and discover together how your organisation will benefit from **our personal way of working** based on **proactivity, reactivity and speed**.

We look forward to hearing from you.

The personal approach of a boutique agency, with the professionalism of a big player.
